Dear General Cushman:

We are pleased to learn that you will address the joint assembly of the Industrial College of the Armed Forces and The National War College on Friday, 16 October 1970.

Your lecture will begin at 8:45 A.M. and will be held in the auditorium of the Industrial College. It will be followed by the customary question and answer period and discussion group meeting. We hope you will remain as our guest at luncheon to be held at noon at the Fort McNair Officers' Club. A representative group from both colleges will be in attendance.

Enclosed for your information is a copy of the course syllabus. Your topic is covered on pages 47 and 48. We would be interested in discussing the appropriateness of the syllabus with you during your visit to the College. Naturally we are always anxious to improve the content of our courses and would benefit from your view.

Also enclosed is a pamphlet entitled "Information for Guest Speakers" which you may want to review, especially that portion on page 11 dealing with the non-attribution policy of the College.

We would appreciate your returning the enclosed requisites form as soon as possible along with any changes you may desire in your biography.

We look forward to having you with us on 16 October.

Sincerely yours,

R. L. DALTON
